MASTER PLAN DISCUSSION:

Future Land Use Maps:

Discussion -Rural Agriculture and two kinds of DNR with major differences: State park/recreation area and the state game area. Discussion also occurred regarding having the State Park/DNR representatives come to a PC meeting. F. Fiala commented that he would make the contact for the PC meeting of Dec. 21, but it may be a bad time being so close to Christmas. Discussion continued regarding the soft boundary/future land use group.

Newly revised draft was distributed to members in attendance pgs. 1 – 73.

Process of distribution (of Master Plan) from township board and time periods involved were noted by R. Harvey. Distribution during the Winter time vs. Spring was considered. R. Harvey suggested to have looking at the final map on agenda of January meeting.
