PURPOSE OF MEETING:

PURPOSE OF MEETING

- **I Pad (iPad) Instruction – with Mr. Bailey Weiler of Sprint**

Four (4) I pads left at the office were charged. Englerth charged his and brought it. Mr. Weiler proceeded to give instructions on basic set-up – Mr. Boysen was very familiar with Apple platform and interaction with I-phone. He has an I-phone.

Weiler had problem connecting with Sprint inside the building. He made sure all Ipads were operable.

Discussion: Be cautious using governmental devices as can be FOIA'd. Do not violate Open Meetings Act. Due to the fact that connecting with Sprint is difficult in the building, Weiler is sending a booster at no cost to the Township.

Protective cases were discussed. Consensus of Board was to have Weiler check availability as his store does not carry cases.

After the iPad instruction: VandenBerg wanted to set a Special meeting with 18 hour Notice to appoint Planning Commission Members. Jansma said Minutes of May 10th, indicated appointment tabled to June Regular board meeting.

Jansma left meeting at 2:15 p.m.
