AGENDA

PUBLIC COMMENT:

Pat Jamison (South Bowens Mills Road) He is here because the meeting is for the pickleball courts. He expressed his disapproval of the members wearing “Team Yankee Springs” shirts as he feels this is campaigning and that the board members should be here to represent all the residents, not just Team Yankee Springs. As far as the park, he is opposed to the large amount of money being spent on the one park. He thinks the township should collaborate with the State Park to provide more for families to do there. He feels that the board has an agenda that they want to push no matter what. He was also disappointed that the Board has again received salary raises this year. (Time expired.)

David Laansma (Payne Lake Road): He wants his voice on record regarding the amount of money being spent on the park so far, with what has been already spent this could easily be a quarter of a million dollars. He expressed that he feels this is too much with all the other needs in the community.
