<p>Fire Chief Dan Miller</p>	
<p>Alice Jansma</p>	
<p><b>County Commissioner Catherine Getty and Marsha Bassett:</b> The commissioners gave a brief overview of recent meetings at the county, including the purchase of software for vital records, human resources, and finance departments. They passed a Memorandum of Understanding with the steering committee to establish a Thornapple River Trail going from Nashville to the Grand River. There was also an agreement signed between the County and the United Way for the provision of some veterans' services.</p>	
<p><b>PUBLIC COMMENT:</b></p>	<p><b>PUBLIC COMMENT</b></p>
<p><b>Mike Cunningham</b> (Heritage Bay Dr): Mr. Cunningham stresses that following proper procedures is essential for effective and trustworthy government. At the prior meeting, corrections to the minutes were improperly approved through the consent agenda without discussion. Doing this the right way would have resulted in the same outcome, but would not have created a poor perception. He also objects to the vote on selling the old fire truck because it was raised during board comments instead of being added to the agenda. Although he supports the sale, the process lacked public notice and forced the board members to vote without seeing any information or having time to consider it before the meeting. Although these two things may not have been illegal, they were improper. He would like to know that board members are paying attention to make sure that the board is doing everything the right way.</p>

<p>Yes: 5, No: 0. <b>MOTION CARRIED</b></p> <ul style="list-style-type: none"> <li>Recognition of Alice Jansma (read by Supervisor Heethuis):</li> </ul> <p><i>Alice is retiring after many years of dedicated service to Yankee Springs Township. Alice became active in Yankee Springs in the 80's. Before that she worked 38 years as a Thornapple Public Schools business manager. This gave Alice a very strong background in finance. In the 80's she was on the Board of Trustees and had a lot to do with the sewer that was put in here in Yankee Springs. In the 90's she was voted in as Treasurer. This was when the water system was being put in. Alice has been a trustee, a treasurer, a deputy supervisor, and a deputy treasurer. In the 90's she also became involved with the township elections which became a family involvement, including her husband Dan, her son Peter and Peter's wife Sharon, and now her granddaughter Clair. They are all election workers. Alice reflects that she is proud of her involvement, particularly the work with the water and the sewer systems. She worked hard every day and always cared about doing things the right way. Her efforts did not go unrecognized; everyone who worked with her appreciated all she did for the township. As she moves into retirement, the community and the Board thank her and wish her the very best. Thank you, Alice Jansma!</i></p> <ul style="list-style-type: none"> <li>At this time Alice was presented with a plaque and photographs were taken. Cake and social time will be enjoyed after the meeting.</li> </ul>	<p><b>RECOGNITION OF ALICE JANSMA</b></p>
<p><b>PUBLIC COMMENT:</b></p> <p><b>Mike Cunningham</b> (Heritage Bay Dr.): He expressed his appreciation to Alice for all her work and to the whole Jansma family for their involvement with the elections. The township is very fortunate to have Diane Dykgraaf as a replacement. The treasurer has sole appointment power for the deputy treasurer and the Board has no authority over that so they should not have voted on it. Some future board may take that as precedent that the board has to approve it and the board does not. It is perfectly appropriate for board members to express their opinion on it in board comment.</p> <p><b>Dave Laansma</b> (Payne Lake Rd): Thanked the Board for all their work this year and wished them a happy holiday and thanked Alice Jansma for all her work for the township.</p>	<p><b>PUBLIC COMMENT</b></p>
<p><b>BOARD COMMENT:</b></p> <p><b>Hopkins:</b> Thanked Deb for her work on getting the best interest rates on the township's funds. It is really outstanding and earned the township another \$25,000 this year.</p> <p><b>Knowles:</b> Thank you to Alice. You mean a lot to me, you've taught me a lot, and I</p>	<p><b>BOARD COMMENT</b></p>

appreciate it. Merry Christmas!

**Mousseau:** Thank you, Alice. We are going to miss you and we really appreciate you. We're open December 30 from 9 to 5 for tax collection for the end of the year. Thanks to Rob for the poinsettias and Tom too, and for the ham. Merry Christmas everyone!

**VanHouten:** Alice, I miss you already! Time goes so fast, especially the holiday season. I wish it would slow down. I hope everybody has a great Christmas.

**Heethuis:** It's Christmas and I'd like to wish everyone a very Merry Christmas and a happy holiday. It's good to see you all tonight and drive home carefully. But before you go, have a piece of cake with Alice and share a memory.
