**Millage Renewal Proposition for
Operation Of County Wide E-911
Emergency Answering and Central
Dispatch System**

Shall Barry County renew the previously authorized County Wide E-911 Emergency Answering and Central Dispatch System millage of .9416 mill per year, (\$0.9416 per \$1,000 of taxable value) upon all taxable real and personal property in the County and shall said millage be increased by .0584 mill (\$0.0584 per \$1,000 of taxable value) to restore amounts reduced by the Headlee Amendment, resulting in the levy of 1.000 mill (\$1.00 per \$1,000 of taxable value), for a period of (5) years, 2024 through 2028, both inclusive, subject to reduction as provided by law?

The purpose of this levy is to provide funding for operation and maintenance of the County Wide E-911 Emergency Answering and Central Dispatch System.

It is estimated that a property located in Barry County with a taxable value of \$50,000 will pay \$50 in the first year of the levy.

If approved, it is estimated that the levy of 1.000 mill would provide revenue of \$2,822,943 in the first calendar year of the levy, of which \$164,860 would result from the additional 0.0584 mill. The revenue from this millage will be disbursed to Barry County.

A small portion of the levy within a predefined area of the City of Hastings and Village of Middleville shall be disbursed to those respective entities DDA's and LDFA's. This amount comes from a predefined area within the City of Hastings and Village of Middleville only.
