

ZONING ADMINISTRATOR REPORT

<p>Mike Cunningham - YS township resident. Mike expressed a concern that properties in the township have not been re-zoned when the land use changes. He requests that there be more proactive re-zoning of properties to reflect current use, and feels this will help avoid future problems such as requests for gravel mining. He urges consistency with land use and zoning.</p> <hr/> <p>APPROVAL OF MINUTES: Regular Meeting of May 15, 2025 <i>Motion by Knowles with support from Beukema to approve the minutes of the Regular PC Meeting of May 15, 2025 as presented.
